Analyst comments-

One of the Biggest manufacturer of 2 weelers, Hero moto corp is one of the greatest companies in the world.

3 reasons why we are exiting now.

a. We bought Hero because Large cap were undervalued and Smallcap Segment was Overvalued so the capital protection was the main priority. We have successfully achieved that.

b. Auto Sector has worked very well and now the cycle can turn in opposite direction. Recent FTA, USA deal, Budget, everything is giving the same direction. This might happen over a year or so, but having so many opportunities in smallcap is suggesting us to Exit from Hero.

c. Valuations are 5 year High, stock has done well, one can not expect Large caps to become 8-10X.
